

**North York Moors National Park Education Service  
Activities for KS 3 and above**

## **Illustrated Talks**

We can provide illustrated talks on a variety of subjects, with content tailor made to suit your requirements whenever possible. Sessions consist of a mix of PowerPoint and short activities with paired or small group work.

### **Themes covered include:**

- concept of National Parks
- locations and special qualities of UK National Parks
- conservation and biodiversity
- recreation and tourism
- how human and physical processes have interacted to influence and change the North York Moors landscape
- threats to the National Park environment
- conflicts and solutions
- sustainability issues
- climate change

**Max group size:** 40 as one group or up to 70 split into 2 groups

**Location:** The Moors National Park Centre or in local schools

**Duration:** usually up to an hour

**Cost:** quarter day rate per person

Alternatively, much shorter versions of these talks can be provided as school assemblies, usually free, in local schools.

**Please contact us to discuss your requirements.**
