Dear

**Whitby Business Park Area Action Plan
Sustainability Appraisal – Scoping Report**

The National Park Authority and Scarborough Council are preparing a joint Area Action Plan for Whitby Business Park. Preparation of the document is included in the revised North York Moors Local Development Scheme 2009 – 2012 and will be included in the Scarborough Local Development Scheme which is currently being revised.

Please find attached a copy of the Scoping Report for the Area Action Plan. The Scoping Report is largely based upon that produced as part of the Sustainability Appraisals for the North York Moors Core Strategy and Development Policies and the Scarborough Core Strategy. In particular, the Sustainability Objectives reflect the objectives in the Sustainability Scoping Reports of the respective authorities and I would welcome your comments on this 'joint' approach.

Consultation on the Scoping Report will run until **22 June 2009** and I would be very grateful to receive any comments you have by that date. In the meantime please do not hesitate to contact me should you wish to discuss anything.

Yours sincerely

Sarah Housden
