Dear Mr Fellows

Thank you for consulting Hambleton District Council on your Local Plan Publication Statement of Representation Procedure.

Under the 2011 Localism Act and the National Planning Policy Framework (NPPF), it is recognised that as a local authority which bounds North Yorks National Park, Hambleton District Council have a legal Duty to Cooperate with other local planning authorities to address strategic planning matters that are driven by larger than local issues that are likely to have an impact beyond their immediate Local Plan area. In compliance with this duty and Section 33A of the Planning and Compulsory Purchase Act 2004 having read the statement and in line with the duty to cooperate Hambleton District Council have no further comments to make at this stage.

With kind regards
Diane Wilson
