

## CURRENT TRAFFIC REGULATION ORDERS IN THE NORTH YORK MOORS NATIONAL PARK

There are traffic restrictions on a number of routes within the North York Moors National Park. These are for the purposes of preserving the amenity, conserving the natural beauty of the area, or for the prevention of damage.

| Traffic Regulation Orders               |                                  |                     |            |   |
|---|----------------------------------|---------------------|------------|---|
