

What we initially need to know from you

1. Is the land you have in mind in another scheme, e.g. Countryside Stewardship? If so, please you give details below.
2. Are there any services on/across the land? (e.g. water supplies, drainage, mains, sewage)
3. Are you eligible to reclaim VAT?
4. Do you have preferences of tree species to be included or specifically excluded on the site?
5. What are your objectives? (e.g. wildlife, shelter, reducing flood risk, timber)

6. A Site Map

Providing a map of your holding with a rough idea of the areas that you are considering is really useful so that any initial site visits are informed and we can discuss any potential issues at an early stage.
